Preparatory Course for Admission into Government Schools (AEIS Exam)

Updated 19.01.2024

Why Choose INSPIRE?

- Established since 2007
- Previously registered with the Ministry of Education, Singapore till 2010
- Currently registered with the Council for Private Education, which is part of SkillsFuture Singapore
- 16 years of experience nurturing students
- Build up your child for positive outcomes
- Dedicated teachers who truly care
- Small conducive class size
- Structured curriculum & lessons throughout the year
- Mock exams simulating actual AEIS format exam
- Proven effective intensive short course

Course Information

- International students who seek to enter Singapore government schools are required to take the Admissions Exercise for International Students (AEIS) which is a centralised admissions exercise conducted by the Singapore Ministry of Education (MOE).
- The AEIS examination is usually held in September yearly for admission in January of the following year.
- International students who miss the AEIS test in September and still wish to seek mainstream school admission may take the Supplementary AEIS examination in February.
- Students have to sit for written English and Mathematics examinations.
- This course prepares students for the AEIS examination format for English and Mathematics as well as for General Ability tests.
- The average teacher to student ratio is **1:4 to 9**.

Course Requirements

Students enrolling must fulfil the following requirements:

- Be a Singaporean or Singapore PR.
- Or hold a Dependant's Pass or Long-Term Visit Pass that is valid for the entire duration of the course if you are a foreign student.
- Not be a foreign student holding a student pass. (w.e.f. 15 November 2023).
- And meet the following age and language requirements:

Preparatory Course for Admission to Government School	Age	Academic Level To Be Tested	Min. Level of English Required A pass in English level of at least [_____] level (in student's respective school in his home country) or equivalent.
